

## **2008 Food Booths**

### **September 11-14, 2008**

The Troy Daze Festival has a very limited number of spaces for Food Booths. Our policy is to extend offers to our prior years participants before we select new food booth participants. We also attempt to insure that we have as wide a variety of offering as possible while maintaining a high level of quality with our food booth participants.

If you are interested in being considered for a Food Booth at the Troy Daze Festival we ask that you provide us with the following information:

- A proposed menu for Troy Daze along with any optional items you can offer, in case your primary menu is already being offered.
- Pictures of your tent or trailer as they would be used at Troy Daze
- A list of events you have participated in (preferred), or a list of references
- Your contact information

Please send the above information to:
